

## Video Security Group High Resolution, Motion Detector Camera

Our hidden Motion Detector camera is a High Resolution, professional model that produces crisp and clean color images.

It is a Day and Night camera, and comes in a variety of lenses. It uses a Sony SuperHAD CCD with a resolution of 480TVL

It was made to be mounted on a wall, and is available with an optional rectangle junction box.

The body is made out of high impact PVC and it is available with (optional) Tamper Resistant Screws.

For Purchase Locations, contact us at Sales@RealTimeDVRs
